Questions

Hey! What's going on? What are we doing? Why no info?

Answer

Well, our partners have informed us that they do not have as many host families as we had anticipated. This was an unexpected, unwelcome surprise.

Right now, we are trying to resolve this in such a way that we do not disappoint you. We know that this delay might make you anxious and we really, truly, honestly regret that. We will periodically update you to let you know what's happening, but all we can say for now is please try not to be nervous.

We are working on your behalf and have not forgotten you, we promise! (That could never happen.)

Please show this document to your parents. They, too, need to know what's happening.
